2020 FELLOWSHIP SELECTIONS ANNOUNCEMENT #1

Congratulations!

This is official notification that the following youth jazz artists so far have been selected as a 2020 KC Area Youth Jazz Fellow. Please reply to the email we sent you with your acceptance decision.

Please note that with the COVID-19 situation, the 2020 season will begin at an appropriate time - even if it results in our having a shorter overall season than the normal 16 weeks.

We are excited to announce that we have two ensembles of equal talent this season. The selections are listed in no particular order:

Mac Sanmiguel, piano; **Miles Clemons**, piano; **Paige Ely**, bass; **Carter Beucher**, alto saxophone; **Henry Scamurra**, alto + tenor saxophones; **Atzin Garcia**, alto saxophone + flute; **Andreas Kellepouris**, tenor saxophone ... **more selections to follow!**

Stay tuned to the official website at www.YouthJazz.us for ongoing and further information.

Again, congratulations and we look forward to working with you in youth jazz.

All the best, Cb
